THE COUNCIL FOR TOBACCO RESEARCH–U.S.A., INC.

2.

December 18, 1972 Denied

Grant application No. 894

To: The committee comprising Drs. Bing, Cattell, and Jacobson

Subject: Luigi Valzelli, Professor, M.D., Istituto di Richerche Farmacologiche Mario Negri, Milan, Italy
New application No. 894
"Nicotine Effects Upon Aggressive Behavior"

History

Although the Council is well acquainted with this institution and investigator, no specific antecedent for this particular application is known. Application No. 894 requests $21,748 for 1973-74. (Overhead requested less than entitlement, doubtless because of a clerical error).

One additional year is projected.

Documents Submitted

1. Application dated December 5, 1972 with enclosures A through D.

2. Enclosure E, No. 1 through No. 7, are publications going back to 1969. These papers appear in the list in enclosure C. Copies will be forwarded if you wish.

Comment

This applicant has collaborated with CTR grantee Walter B. Essman. Indeed this application was forwarded by Essman, ostensibly because of postal difficulties in Italy.
